ANSWER SHEET DO'S AND DON'TS

DO:

· Write your answers as clearly as possible on the question answer sheets provided, making sure your writing is not faint.
· Answer in pen so that answers can be read clearly.
· Use blank or lined paper as additional answer sheets. If you use additional sheets of (plain or lined) paper for a question, please write the following in the top left-hand corner of each sheet. (i) The question number. (ii) The page number for that question. (iii) The digits following the * from the question's answer sheet QR code.

DO NOT:

• Draw, shade in or otherwise deface the QR code, corner markers or any other area of the answer sheet. Doing so may result in the answer sheet being rejected by the system and no result being generated.

DO NOT WRITE YOUR NAME ON ANY ADDITIONAL SHEETS.

Make sure on the bubbles above, you fill in the full bubble clearly.

Try and answer the Olympiad questions in pen, so the markers can clearly read your answers. If your answers are too faint, they may not be marked.
Do not colour in or cover the QR codes in any way. This is how the system allocates the paper to the correct place.

Please write in the allocated boxes for the question. If you need more space, write on an extra sheet of plain paper. On the extra sheets do not write your name, only the question number and the digits after the ':' in the QR code. This can be uploaded with your answer sheets.
